## PROGRAM

Know Your Air Quality to  
Protect Students Health

### Mojave Desert Air Quality Management District Pilot School Flag Program Application

The Mojave Desert AQMD is seeking a school to serve as the pilot for its School Flag Program. To be considered, please have your school administrator sign off on this **application** and attach a **one page narrative** on why your school should be selected for participation as the pilot school.

\_\_\_\_\_ School would like to serve as the pilot school for the MDAQMD's School Flag Program and obtain a free set of flags. As such, we will:

1. **Register our school as part of the national network online**  
at <http://www.airnow.gov/index.cfm?action=airnow.schoolflagprogram>
2. **Place the School Flag Program widget** on our school's website.  
(Information about this easy installation can be found at <https://cfpub.epa.gov/airnow/index.cfm?action=airnow.widget>)
3. **Share information about the program** (many resources are provided at [www.airnow.gov/schoolflag](http://www.airnow.gov/schoolflag)) with students, faculty and parents as appropriate.
4. **Share with us your plan to have someone at the school fly the appropriate flag daily** on school days and to monitor forecasts via Flag Program widget on school days :

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

5. **Name of School Flag Program Coordinator:** \_\_\_\_\_  
**Phone:** \_\_\_\_\_ **Email:** \_\_\_\_\_
6. If your school has programming year-round, consider reaching out to the summer occupants to include flying the appropriate flags during summer.
