NOTICE OF HEARING – AIR TOXICS “HOTSPOTS” PROGRAM ANNUAL REPORTS

NOTICE IS HEREBY GIVEN that the Governing Board of the Mojave Desert Air Quality Management District (MDAQMD) will conduct a public hearing on January 22, 2024 at 10:00 A.M. to present the 2021 and 2022 Air Toxics “Hot Spots” Program Annual Reports and discuss its content and significance.

SAID HEARING will be conducted in the Governing Board Chambers located at the MDAQMD offices 14306 Park Avenue, Victorville, CA 92392-2310 where all interested persons may be present and be heard. The 2021 and 2022 Air Toxics “Hot Spots” Program Annual Reports summarize the “Hot Spots” program elements mandated by the Air Toxics “Hot Spots” Information and Assessment Act (Section 44363 of the California Health and Safety Code) which requires local air pollution control districts to provide the public with an annual progress report on the program. The 2021 and 2022 Air Toxics “Hot Spots” Program Annual Reports outline the current status of the program in the Mojave Desert Air Quality Management District (MDAQMD or District), including a description of the risk assessment priorities and categories, the progress and results of Health Risk Assessments, ranks and identifies facilities according to the degree of toxic health risk posed, and describes the status of the development of control measures to reduce emissions of toxic air contaminants to date.
