

NOTICE OF TITLE V PERMIT SIGNIFICANT MODIFICATION – PRELIMINARY DETERMINATION

NOTICE IS HEREBY GIVEN THAT the County of San Bernardino Solid Waste Management Division, owners of the Barstow Sanitary Landfill (BSL), located at 32553 Barstow Road, Barstow, California 92311, has submitted an application to modify their Federal Operating Permit (FOP) pursuant to the provisions of MDAQMD Regulations XIII and XII. The primary function of the BSL is the disposal of municipal solid waste (MSW). The facility has applied to permit and operate a new diesel fueled prime generator. The proposed equipment constitutes a Modification under New Source Review pursuant to District Regulation XIII; and, a significant modification of the Title V permit pursuant to District Regulation XII.

REQUEST FOR COMMENTS: Interested persons are invited to submit written comments and/or other documents regarding the terms and conditions of the proposed modification of the Barstow Sanitary Landfill's Federal Operating Permit. If you submit written comments, you may also request a public hearing on the proposed issuance of the Federal Operating Permit. To be considered, comments, documents and requests for public hearing must be submitted no later than 5:00 P.M. on November 18, 2024, to the MDAQMD, Attention: May Mamari at the address listed below.

PETITION FOR REVIEW: Federal Operating Permits are also subject to review and approval by the United States Environmental Protection Agency (USEPA). If EPA has not objected to the proposed title V permit during its 45-day review period, the public may petition EPA to object to the proposed Title V permit within 60 days of expiration of EPA's review period. Any such petition must be based on objections that were raised with reasonable specificity during the public comment period unless the petitioner demonstrates either that it was impracticable to raise such objections within the comment period or that the grounds for the objection arose after the comment period. The petitioner shall provide a copy of such petition to the permitting authority and the permittee. EPA's website contains more information on petitions, including instructions for submitting a petition and the required content of petitions: <https://www.epa.gov/title-v-operating-permits/title-v-petitions>.

AVAILABILITY OF DOCUMENTS: The proposed Federal Operating Permit, as well as the application and other supporting documentation are available for review at the MDAQMD offices, 14306 Park Avenue, Victorville, Ca 92392. In addition, these documents are available on the MDAQMD website and can be viewed at following link: <https://www.mdaqmd.ca.gov/permitting/public-notices-advisories/public-notices-permitting>. Please contact May Mamari, Air Quality Engineer at the address, above, or (760) 245-1661, extension 5020, or at mmamari@mdaqmd.ca.gov for additional questions pertaining to this action and/or corresponding documents
