

**NOTICE OF TITLE V PERMIT RENEWAL –  
PRELIMINARY DETERMINATION**

NOTICE IS HEREBY GIVEN THAT *Mitsubishi Cement Corporation – Cushenbury Plant (MCC)*, located 5808 Highway 18 in Lucerne Valley, California, has applied for the renewal of a Federal Operating Permit (FOP) pursuant to the provisions of MDAQMD Regulation XII. MCC is a Portland Cement manufacturing facility located in Lucerne Valley, which includes the mining and processing of limestone, excavation, conveying, calcining, crushing, screening, storage, and transporting of materials including their primary product, cement. This proposed action will not result in a net increase in regulated air pollutants.

**REQUEST FOR COMMENTS:** Interested persons are invited to submit written comments and/or other documents regarding the terms and conditions of the proposed renewal of MCC's Federal Operating Permit. If you submit written comments, you may also request a public hearing on the proposed issuance of the Federal Operating Permit. To be considered, comments, documents and requests for public hearing must be submitted no later than 5:00 P.M. on June 8, 2020, to the MDAQMD, Attention: Sheri Haggard at the address listed below.

**PETITION FOR REVIEW:** Federal Operating Permits are also subject to review and approval by the United States Environmental Protection Agency (USEPA). If the USEPA finds no objection to the proposed permit, the final permit is issued. In the event of public objection to the issuance of a specific permit, a Title V petition may be submitted to the USEPA Administrator electronically through the Central Data Exchange at: <https://cdx.epa.gov/>. In order to file a Title V petition, issues must be raised with reasonable specificity during the public comment period, and filed within 60 days of the close of the USEPA review period.

**AVAILABILITY OF DOCUMENTS:** The proposed Federal Operating Permit, as well as the application and other supporting documentation are available for review at the MDAQMD offices, 14306 Park Avenue, Victorville, CA 92392. In addition, these documents are available on the MDAQMD website and can be viewed at following link: <https://www.mdaqmd.ca.gov/permitting/public-notices-advisories/public-notices-permitting-regulated-industry>. Please contact Sheri Haggard, Air Quality Engineer at the address, above, or (760) 245-1661, extension 1864, or at [shaggard@mdaqmd.ca.gov](mailto:shaggard@mdaqmd.ca.gov) for additional questions pertaining to this action and/or corresponding documents.
